AMERON MOTORWORLD – MUNICH

Every AMERON hotel is unique. This philosophy is also put into practice impressively at the new AMERON Motorworld Munich. Here, the fascination for motor sports and the driving culture merge with top-class hospitality. Industrial style and the flair of the 60s and 70s blend in with the heritage-protected Lokhalle and throughout the entire hotel complex. On 45,000 square metres, the Lokhalle offers everything that makes the heart of a motor enthusiast beat faster.

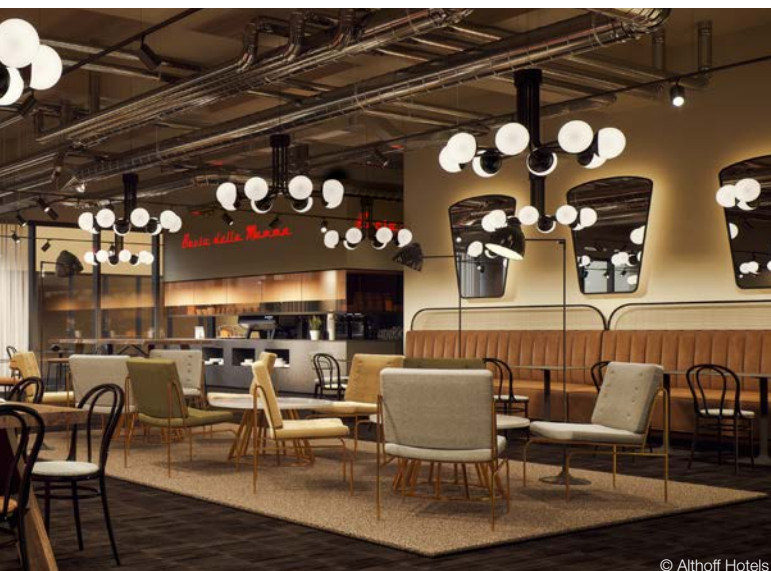

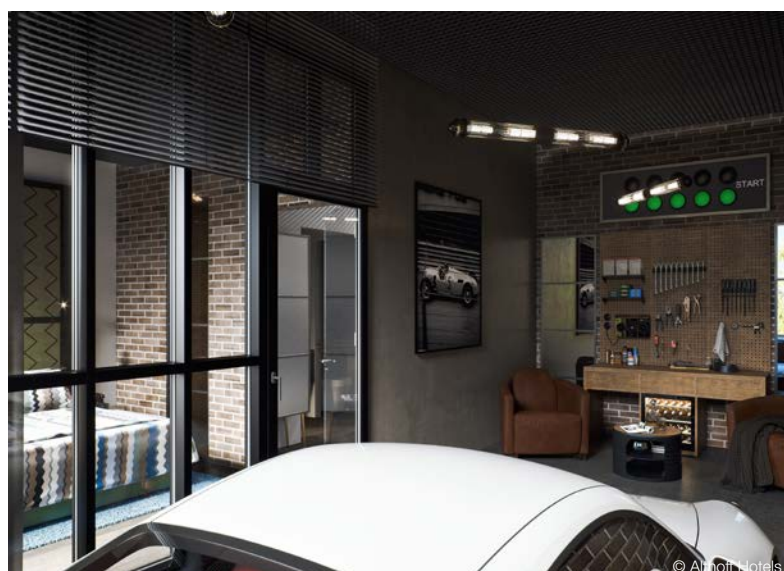

AMERON MOTORWORLD

by

KOS KREBS

We are pleased that we were able to realise another extraordinary project for the Althoff Hotels with our textiles. In addition to window decorations, decorative cushions and plaids, carpets from our RUGS collection were also fitted in the Motorworld.

Your ideas, our incentive

At KOS KREBS, we are proud of our reputation for 100% reliability. Throughout all the stages of the project, our customers are guided by a specialist adviser who works with them from the creation of the first prototype through project planning right through to final completion - all over Europe.

Your design, your individuality

Your corporate design can be incorporated into the fabric, thanks to our ability to respond to individual specifications.

We ensure sound project planning

As a result of decades of experience and an insistence on detailed planning, our expertise has ensured that every commission has been completed on time. Our 100% record guarantees 100% reliability in your project planning.
