Radisson Collection – Berlin

With the Radisson Collection Berlin, the Radisson Hotel Group has opened the first hotel of its premium brand in Germany. Thanks to its central location in Berlin-Mitte, the new Radisson Collection is right in the middle of the vibrant life of the capital. However, the hotel's lobby makes it truly one of a kind. This is where the AquaDom is located, the largest free-standing aquarium in the world, which can be viewed from the Atrium Bar below.

Radisson Collection – Berlin

by

KOS KREBS

We are pleased to be involved in this flagship project. The Radisson Collection Berlin features 427 rooms and suites, which were fitted out with fabrics by KOS KREBS.

Your ideas, our incentive

At KOS KREBS, we are proud of our reputation for 100% reliability. Throughout all the stages of the project, our customers are guided by a specialist adviser who works with them from the creation of the first prototype through project planning right through to final completion - all over Europe.

Your design, your individuality

Your corporate design can be incorporated into the fabric, thanks to our ability to respond to individual specifications.

We ensure sound project planning

As a result of decades of experience and an insistence on detailed planning, our expertise has ensured that every commission has been completed on time. Our 100% record guarantees 100% reliability in your project planning.
